Please Support the Tears-McFarlane House Restoration!

(Full story can be found in the August issue of the *Urban Dweller*) Recently, CHUN was awarded a grant in the amount of \$106,126 from the State Historical Fund to help

continue exterior restoration of the Tears-McFarlane house, also known as the CHUN Community Center, located at 1290 Williams St. In order for CHUN to utilize these funds, however, an additional \$30,000 must be raised in matching funds.

The property has served the Greater Capitol Hill community for over 30 years as a community center and CHUN has recently assumed stewardship of this historic property on behalf of the community. Preserving this historic asset and maintaining a gathering place for the people of Capitol Hill is consistent with CHUN's mission of "preserving the past, improving the present, and planning the future of Greater Capitol Hill."

For information about the Tears-McFarlane house exterior restoration project or to make a donation, please call Drew O'Connor, at 303-830-1651. For information about how to apply for a State Historical Fund (SHF) grant, please call 303.866.2825 or visit the Web site at www.coloradohistory.org and click on the *State Historical Fund* link.

9Cares Music Drive

Remember the joy you received by playing your musical instrument? There are some children who want to play, but can't afford to rent or buy an instrument. 9News is collecting musical instruments again this year! By donating an instrument, you are giving a child the chance to create music of their own. This year, 9News will be at three local free concerts in the park collecting instruments and cash donations. Cash donations will help repair and tune donated instruments.

Musical Instruments Needed

• Saxophone	• Flute	• Piccolo	• Tuba
• Clarinet	• Drum Set	• Snare Drum	• Viola
• Bell Set	• French Horn	• Trombone	• Upright Bass
• Cello	• Guitar	• Trumpet	• Cymbals
• Cornet	• Oboe	• Violin

Although musical instruments are not the first item on a school supply list, they are still an essential part of a child's education. The instruments collected during the concerts will be donated to Denver, Aurora, and Adams 14 School Districts, which have agreed to restore them for students in their music programs.
