

## The Training Schedule Breakdown

**April 8<sup>th</sup> Session 1:** Communication Skills and Working Together with Schools: Create Great Results for Children.

It's important for there to be positive relationships between parent and school for true partnership to occur and to promote successful outcomes for children.

**April 15<sup>th</sup> Session 2:** Overview of Individuals with Disabilities Education Act (IDEA)

Having knowledge of students' civic rights under IDEA is crucial if parents are to be genuine participants in their child's education. Thus, we will cover how Special Education should work.

**April 22<sup>nd</sup> Session 3:** Writing Effective Individual Education Plan (IEP)

A well written plan has annual SMART Goals:

**S** – Specific

**M** – Measurable

**A** – Action Words

**R** – Realistic/Relevant

**T** – Time-Bound

How to write SMART goals and take steps to make sure they are followed thru will be discussed.
