

## FREE WORKSHOP

Childcare & Dinner Provided

# Getting and Keeping the First Job

Families who understand the world of work, and who maintain high expectations of their child, can play a pivotal role in the employment success of youth with disabilities. At this workshop you will learn:

- The realities of the job market and its impact on youth with disabilities
- The role of families in promoting disability awareness and engaging youth in career planning, as well as,
- Basic job search, resume creation,
